

Stay Connected

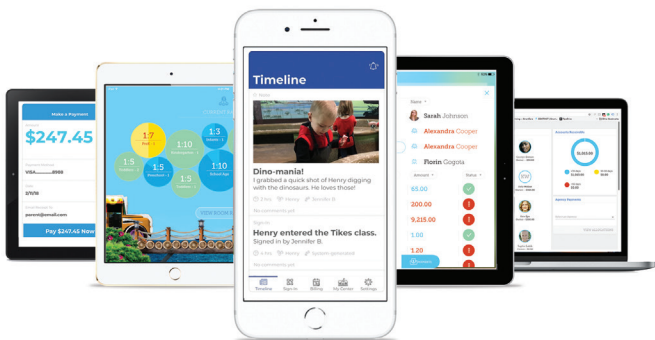

We are excited to introduce you to new technology that will enable our center, our teachers, and our parents to be connected in real-time through mobile devices and the web throughout the day, anytime, and from anywhere.

Sign-in and out through a kiosk or mobile device with a convenient QR Code.

Receive timeline updates on your child throughout the day (photos, milestones, videos, and more).

Pay your tuition through the Parent App or Parent Web Portal.

Effortless Communication
Real-time Updates
Swift & Secure
Mobile Billing & Payments

To download the Parent App:

1. You will receive an email from Smartcare Services.
2. Click the link to setup your password and PIN. Your email will be your login to the app.
3. Go to either the Google Play Store or the iOS App Store to install the app SmartCare for Parents.

Available on these devices
